Dear Congresswoman Stefanik:

The Fleet Reserve Association (FRA) supports your legislation, expressing the sense of Congress that those who served in the bays, harbors, and territorial seas of the Republic of Vietnam between January 9, 1962, and May 7, 1975, should be presumed to have served in Vietnam under the Agent Orange Act of 1991 (H.ConRes.45). Those veterans who were exposed to Agent Orange while never stepping foot on land in Vietnam have gone untreated for far too long.

The Association appreciates your dedication to veteran issues. The FRA point of contact is Brian Condon, Assistant Director of Veterans Programs, at [brianc@fra.org](mailto:brianc@fra.org).

Sincerely, *and THANK YOU!*

THOMAS J. SNEE  
National Executive Director
