Dear Congresswoman Gabbard:

The Fleet Reserve Association (FRA) supports your legislation, the “Survey our Military Impacted Schools Act” (H.R.4917). The bill directs the Department of Defense (DoD) to evaluate the needs of elementary and secondary schools that serve children of service members and federal government employees. In order to best serve the students of these schools the DoD first must know what the schools need.

The Association appreciates your dedication to active duty issues. The FRA point of contact is Brian Condon, Assistant Director of Veterans Programs, at brianc@fra.org.

Sincerely,

Christopher J. Slawinski
National Executive Director
