Dear Congressman McKinley:

The Fleet Reserve Association (FRA) supports the “Improving Safety and Security for Veterans Act” (H.R.5616). The bill will require the Department of Veterans Affairs (VA) to submit to Congress reports on patient safety and quality of care at medical centers of the VA.

The Association appreciates your dedication to veteran issues. The FRA point of contact is Theo Lawson, Assistant Director of Legislative Programs, at TheoL@fra.org.

Sincerely,

Christopher J. Slawinski
National Executive Director
