Dear Congressman Waltz:

The Fleet Reserve Association (FRA) supports the “United States-Israel PTSD Collaborative Research Act” (H.R.5605). The bill will direct The Department of Veterans Affairs (VA) to carry out a grant program to increase cooperation on PTSD research between the United States and Israel.

The Association appreciates your dedication to veteran issues. The FRA point of contact is Theo Lawson, Assistant Director of Legislative Programs, at TheoL@fra.org.

Sincerely,

Christopher J. Slawinski
National Executive Director
