Dear Congressman Ruiz:

The Fleet Reserve Association (FRA) supports the “Presumptive Benefits for War Fighters Exposed to Burn Pits and Other Toxins Act” (H.R. 2372) that would provide for a presumption of service connection for certain diseases associated with exposure to toxins.

The Association appreciates your dedication to veterans' issues. The FRA point of contact is Theo Lawson, Assistant Director of Legislative Programs, at TheoL@fra.org.

Sincerely,

CHRISTOPHER J. SLAWINSKI
National Executive Director
