Dear Congressman Meadows:

The Fleet Reserve Association (FRA) supports your legislation, the “Brian Tally VA Medical Care and Liability Improvement Act” (H.R.3813). The bill will require the VA to notify any veteran making a malpractice claim of both their care provider’s employment status and their options for a malpractice claim under their individual state law in 30 days or less.

The Association appreciates your dedication to veterans’ issues. The FRA point of contact is Brian Condon, Assistant Director of Veterans Programs, at brianc@fra.org.

Sincerely,

THOMAS J. SNEE
National Executive Director
