Dear Senator Sinema:

The Fleet Reserve Association (FRA) supports your bill (S. 89) that would require the Department of Veterans Affairs (VA) to secure medical opinions for veterans with service-connected disabilities who die from COVID-19 to determine whether their service-connected disabilities were the principal or contributory causes of death.

The Association appreciates your dedication to veterans' issues. The FRA point of contact is Theo Lawson, Assistant Director of Legislative Programs, at TheoL@fra.org.

Sincerely,

CHRISTOPHER J. SLAWINSKI
National Executive Director
