Dear Senator Brown:

The Fleet Reserve Association (FRA) supports your bill (S.3446) that would extend the authority of the Department of Veterans Affairs (VA) to prescribe regulations providing that a presumption of service connection as warranted for a disease with a positive association with exposure to a herbicide agent.

The Association appreciates your dedication to veteran issues. The FRA point of contact is Theo Lawson, Assistant Director of Legislative Programs, at TheoL@fra.org.

Sincerely,
