Dear Senator Tillis:

The Fleet Reserve Association (FRA) supports the “Toxic Exposure in the American Military Act” (S.4393) that would improve benefits from the Department of Veterans Affairs (VA) for veterans who were exposed to toxic substances.

The Association appreciates your dedication to veteran issues. The FRA point of contact is Theo Lawson, Assistant Director of Legislative Programs, at TheoL@fra.org.

Sincerely,

Christopher J. Slawinski
National Executive Director
