Dear Congressman Vela:

The Fleet Reserve Association (FRA) supports your bill (HR.7476) that would direct the Department of Veterans Affairs (VA) to submit a report to Congress on programs to notify veterans of potential exposure to certain herbicide agents outside of Vietnam.

The Association appreciates your dedication to veteran issues. The FRA point of contact is Theo Lawson, Assistant Director of Legislative Programs, at TheoL@fra.org.

Sincerely,

Christopher J. Slawinski
National Executive Director
