Dear Congressman Kildee:

The Fleet Reserve Association (FRA) supports your bill (H.R.8257) that would require the Department of Veterans Affairs (VA) to provide to a member of the uniformed services who is denied a traumatic injury protection claim under Servicemembers' Group Life Insurance certain information related to that denial.

The Association appreciates your dedication to veterans' issues. The FRA point of contact is Theo Lawson, Assistant Director of Legislative Programs, at TheoL@fra.org.

Sincerely,

Christopher J. Slawinski
National Executive Director
