Dear Senator Durbin:

The Fleet Reserve Association (FRA) supports the “Servicemember Student Loan Affordability Act” (S.4002) that would allow servicemembers to consolidate or refinance student loan debt they had when they entered the military and continue to benefit from the six percent interest rate cap to which they are entitled through the SCRA.

The Association appreciates your dedication to active duty issues. The FRA point of contact is Theo Lawson, Assistant Director of Legislative Programs, at TheoL@fra.org.

Sincerely,

Christopher J. Slawinski
National Executive Director
