The Honorable Kendra Horn
U.S. House of Representatives
415 Cannon House Office Building
Washington, DC 20515

Dear Congresswoman Horn:

The Fleet Reserve Association (FRA) supports the “Military Housing Oversight, Maintenance, and Enhancement for Servicemembers (HOMES) Act” (H.R.7212). The bill would create uniform basic housing standards, inspection requirements for all government-owned and controlled military family housing and provide reimbursement for military families who lost property due to mold damage.

The Association appreciates your dedication to active duty issues. The FRA point of contact is Theo Lawson, Assistant Director of Legislative Programs, at TheoL@fra.org.

Sincerely,

Christopher J. Slawinski
National Executive Director
