Dear Senator Gillibrand:

The Fleet Reserve Association (FRA) supports the “The Presumptive Benefits for War Fighters Exposed to Burn Pits and Other Toxins Act” (S.4572). The bill would provide for a presumption of service connection for certain diseases associated with exposure to toxins and streamline the process for obtaining Department of Veterans Affairs (VA) benefits for burn pit and other toxic exposures.

The Association appreciates your dedication to veteran issues. The FRA point of contact is Noelle Huffer, Assistant Director of Veterans Programs, at NoelleH@fra.org.

Sincerely,

Christopher J. Slawinski
National Executive Director
