Dear Senator Tester:

The Fleet Reserve Association (FRA) would like to thank you for successfully sponsoring amendment (#1972) to the Senate National Defense Authorization Act (S. 4049) that expands the Agent Orange presumptions for disability claims to include: Bladder Cancer, Hypothyroidism, and Parkinsonism. The FRA will work to ensure that this important provision is included in the final NDAA.

The Association appreciates your dedication to veteran's issues. The FRA looks forward to working with you on this and other issues of mutual concern.

Sincerely,

Christopher J. Slawinski  
National Executive Director
