The Honorable Gilbert Cisneros
U.S. House of Representatives
431 Cannon House Office Building
Washington, D.C. 20515

Dear Congressman Cisneros:

The Fleet Reserve Association (FRA) supports your legislation, (H.R.2942) to direct the VA to carry out the Women's Health Transition Training pilot program through FY 2020. The bill would require the VA and DOD to report to Congress the number of women who participated in the program and enrolled in the VA's health-care system. It also will consider making the program permanent and expanding it.

The Association appreciates your dedication to veterans' issues. The FRA point of contact is Brian Condon, Assistant Director of Veterans Programs, at brianc@fra.org.

Sincerely,

THOMAS J. SNEE
National Executive Director
