Dear Congressman Cloud:

The Fleet Reserve Association (FRA) supports your legislation, the “Improving Confidence in Veterans' Care Act” (H.R.3530). This bill directs the Department of Veterans Affairs (VA) to enforce the licensure requirement for medical providers at the VA. This legislation would ensure that a doctor whose license has been taken away or suspended would not be allowed to practice medicine for the VA.

The Association appreciates your dedication to veteran issues. The FRA point of contact is Brian Condon, Assistant Director of Veterans Programs, at brianc@fra.org.

Sincerely,

Christopher J. Slawinski
National Executive Director
