Dear Congressman Roe:

The Fleet Reserve Association (FRA) supports your legislation, to improve the ability of veterans to receive in-state tuition using educational assistance administered by the Department of Veterans Affairs (H.R.3608). This bill expands the availability of in-state tuition rates to student veterans regardless of when they were discharged from the military.

The Association appreciates your dedication to veteran issues. The FRA point of contact is Brian Condon, Assistant Director of Veterans Programs, at brianc@fra.org.

Sincerely,

Christopher J. Slawinski
National Executive Director
