Dear Delegate Sablan:

The Fleet Reserve Association (FRA) supports your legislation (H.R.2934) to allow Post 9/11 funds to pay for preparatory courses for professional licenses and certifications. This bill will help, with those who qualify transition into a job after obtaining the needed licenses or certification.

The Association appreciates your dedication to veterans' issues. The FRA point of contact is Brian Condon, Assistant Director of Veterans Programs, at brianc@fra.org.

Sincerely,

THOMAS J. SNEE
National Executive Director
