Dear Senator Dan Sullivan:

The Fleet Reserve Association (FRA) supports your bill the “Veterans Burn Pit Exposure Recognition” bill, (S. 2950), that would declare that service members who deployed to the Middle East in the 1990-1991 Persian Gulf War and after, to Afghanistan and Djibouti following Sept. 11, 2001, and to Iraq beginning in 2003 were exposed to toxins.

The Association appreciates your strong leadership on this issue and has listed this legislation on its Internet Action Center to encourage FRA members to contact their Senators to ask for their support. FRA also stands ready to provide further assistance in advancing this legislation.

The FRA point of contact is John Davis, Director of Legislative Programs, at the above numbers or ([john@fra.org](mailto:john@fra.org)).

Sincerely,

Christopher J. Slawinski  
National Executive Director
