Dear Congresswoman Miller-Meeks:

The Fleet Reserve Association (FRA) supports the “Supporting Expanded Review for Veterans In Combat Environments (SERVICE) Act” (H.R. 4571) that would direct the Department of Veterans Affairs (VA) to provide mammography screening for veterans who served in locations associated with toxic exposure.

The Association appreciates your dedication to veteran issues. The FRA point of contact is Theo Lawson, Assistant Director of Legislative Programs, at [TheoL@fra.org](mailto:TheoL@fra.org).

Sincerely,

CHRISTOPHER J. SLAWINSKI  
National Executive Director
