Dear Chairwoman Speier:

The Fleet Reserve Association (FRA) supports the “PFAS Filthy Fifty Act” (H.R. 4241) that would require the Department of Defense (DoD) to conduct testing, removal, and remediation of perfluoroalkyl substances and polyfluoroalkyl substances at all military installations, formerly used defense sites, and State-owned facilities of the National Guard in the United States

The Association appreciates your dedication to active-duty issues. The FRA point of contact is Theo Lawson, Assistant Director of Legislative Programs, at TheoL@fra.org.

Sincerely,

CHRISTOPHER J. SLAWINSKI
National Executive Director
