Dear Senator Blackburn:

The Fleet Reserve Association (FRA) supports the “Veterans Health Care Freedom Act” (S. 3603) that would direct the Department of Veterans Affairs (VA) to carry out a pilot program to improve veterans’ access to medical care at VA medical facilities and in the community by providing veterans the ability to choose health care providers.

The Association appreciates your dedication to veterans’ issues. The FRA point of contact is Theo Lawson, Assistant Director of Legislative Programs, at TheoL@fra.org.

Sincerely,

CHRISTOPHER J. SLAWINSKI
National Executive Director
