Dear Congressman Bost:

The Fleet Reserve Association (FRA) supports the "Health Care for Burn Pit Veterans Act" (H.R. 6659). This bill would expand eligibility for (VA) health care to post-9/11 combat veterans who were exposed to burn pits and other toxins during their military service. The bill would also authorize research into the health effects of toxic exposure and improve training for VA health care and benefits staff.

The Association appreciates your dedication to veterans' issues. The FRA point of contact is Theo Lawson, Assistant Director of Legislative Programs, at TheoL@fra.org.

Sincerely,

CHRISTOPHER J. SLAWINSKI  
National Executive Director
