The Honorable Nick LaLota
U.S. House of Representatives
1530 Longworth House Office Building
Washington DC, 20515

Dear Congressman LaLota:

The Fleet Reserve Association (FRA) supports the "Vietnam Veterans Liver Fluke Cancer Study Act" (HR.4424) that would direct the Department of Veterans Affairs (VA) to study and report on the prevalence of cholangiocarcinoma in veterans who served in the Vietnam theater of operations during the Vietnam era.

The Association appreciates your dedication to veteran issues. The FRA point of contact is Theo Lawson, Assistant Director of Legislative Programs, at TheoL@fra.org.

Sincerely,

John R. Davis
Director, Legislative Programs
