Dear Congressman Nehls:

The Fleet Reserve Association (FRA) supports the “Modernizing Department of Veterans Affairs Disability Benefit Questionnaires Act” (H.R. 7188) that would institute a more effective standard that is compatible with automation and would allow employees to focus on vital claims processing activities, such as rating claims and weighing evidence, rather than menial tasks.

The Association appreciates your dedication to veterans’ issues. The FRA point of contact is Theo Lawson, Assistant Director of Legislative Programs, at TheoL@fra.org.

Sincerely,

CHRISTOPHER J. SLAWINSKI
National Executive Director
