The Honorable Andy Biggs
U.S. House of Representatives
252 Cannon House Office Building
Washington DC, 20515

Dear Congressman Biggs:

The Fleet Reserve Association (FRA) supports the "Veterans Health Care Freedom Act" (HR.3176) that would direct the Department of Veterans Affairs (VA) to carry out a pilot program that would allow veterans to access primary, specialty, and mental health care in the private sector and outside of their corresponding Veterans Integrated Service Networks.

The Association appreciates your dedication to veteran issues. The FRA point of contact is Theo Lawson, Assistant Director of Legislative Programs, at TheoL@fra.org.

Sincerely,

A handwritten signature in black ink that reads 'John R. Davis'. The signature is written in a cursive, slightly slanted style.
