The Honorable Chris Pappas
U.S. House of Representatives
452 Cannon House Office Building
Washington DC, 20515

Dear Congressman Pappas:

The Fleet Reserve Association (FRA) supports the "PFAS Registry Act" (HR.3192) that would require the Department of Veterans Affairs (VA) to establish and maintain a registry for certain individuals who may have been exposed to per- and polyfluoroalkyl substances due to the environmental release of aqueous film-forming foam on military installations.

The Association appreciates your dedication to veteran issues. The FRA point of contact is Theo Lawson, Assistant Director of Legislative Programs, at TheoL@fra.org.

Sincerely,

John R. Davis
Director, Legislative Programs\
