The Honorable Dan Kildee
U.S. House of Representatives
200 Cannon House Office Building
Washington DC, 20515

Dear Congressman Kildee:

The Fleet Reserve Association (FRA) supports the "Veterans Exposed to Toxic PFAS Act" (HR.4249) that would furnish hospital care and medical services to veterans and dependents who were exposed to perfluorooctanoic acid or other per- and polyfluoroalkyl substances. The bill also provides for a presumption of service connection for certain veterans who were stationed at military installations at which the veterans were exposed to such substances.

The Association appreciates your dedication to veteran issues. The FRA point of contact is Theo Lawson, Assistant Director of Legislative Programs, at TheoL@fra.org.

Sincerely,

John R. Davis
Director, Legislative Programs
