The Honorable Dina Titus
U.S. House of Representatives
2464 Rayburn House Office Building
Washington DC, 20515

Dear Congressman Titus:

The Fleet Reserve Association (FRA) supports the "Radiation Exposure Compensation Act (RECA)" (HR.4566) that would prohibit the Department of Veterans Affairs from requiring evidence of a certain dose of radiation to determine that a veteran is a radiation-exposed veteran.

The Association appreciates your dedication to veteran issues. The FRA point of contact is Theo Lawson, Assistant Director of Legislative Programs, at TheoL@fra.org.

Sincerely,

John R. Davis
Director, Legislative Programs
