Dear Congresswoman Strickland:

The Fleet Reserve Association (FRA) supports your bill (H.R.6946) that would establish a compensation fund for military firefighters to provide for timely, uniform, and adequate compensation to current and former military firefighters and, survivors, suffering from illnesses acquired during service and due to exposure to PFAS.

The Association appreciates your dedication to active-duty issues. The FRA's point of contact is Theo Lawson, Assistant Director of Legislative Programs, at TheoL@fra.org.

Sincerely,

John R. Davis
