Dear Congressman Levin:

The Fleet Reserve Association (FRA) supports the “Emergency Relief for Servicemembers Act” (H.R. 5752) that would authorize the termination of a telephone, multichannel video programming, or internet access service contract by a service member who enters into such contract after receiving military orders for permanent change of station but then receives a stop movement order due to an emergency.

The Association appreciates your dedication to veterans' issues. The FRA point of contact is Theo Lawson, Assistant Director of Legislative Programs, at TheoL@fra.org.

Sincerely,

JOHN R. DAVIS
Director, Legislative Programs
