Dear Congressman Jolly:

The Fleet Reserve Association (FRA) supports your legislation to increase the amount of special pension for Medal of Honor recipients (H.R. 3491). This legislation would increase the amount of special pension for Medal of Honor Recipients to \$3,000 per month.

The Association appreciates your dedication to veteran issues. The FRA point of contact is Brian Condon, Assistant Director of Veterans Programs, at BrianC@fra.org.

Sincerely,

THOMAS J. SNEE
National Executive Director
