WILLIAM STARKEY, National President

Reported by:
Lisa A. Blanks, RPR, CSR, CRR
NP STARKEY: Close the door and invite the
shipmates into the hall.

National Chaplain, will you open the holy
Bible, please.

NCHAP DAVIS: Shipmate National President, the
Bible is open.

NP STARKEY: Thank you. Hand salute! Ready,
two!

Shipmate, rear mic.

PNP SCARBRO: Shipmate National President.

I'd like to announce that Branch 59, Cheyenne, Wyoming
Branch 40, changed the report from the Abraham Rosenberg
will be Branch 295, San Angelo, Texas.

NP STARKEY: Thank you, Shipmate Scarbro, Past
National President.

Shipmate at the rear mic.

JrPNP LARSON National President, Larson,
Branch 94 delegate. Hopefully for the last time, 91st
National Convention, in memory of late great past
National President Ralph Schmidt, Junior Past National
President remains in uniform of the day.

NP STARKEY: Thank you. Shipmate rear mic.

SHIPMATE GRUETZNER: National President, sir.

Gruetzner, South Central Branch 201. Senior
Master-At-Arms requests that personnel come through the
center doorways and not through the sides.

NP STARKEY: Okay. Any shipmate wanting to
depart the meeting room, please depart from the center
doorway. Thank you.

SHIPMATE CHRISTOPHER: Shipmate National
President. Christopher, delegate, Branch 382. I would
like to make a motion. I move that the National
President mandate the Future Planning Committee, along
with the assistance of the Director of Membership and
Development, to investigate the regional realignment of
the FRA.

Further, that the future planning committee
will make reports to the National Board of Directors of
the 2019 mid-year National Board of Director meeting.

NP STARKEY: Would you bring that motion
forward, please, so I have a copy of it?

PRP ARCHER: National President, Archer,
delegate, Branch 59. I would second that, but I'd like
to add that since we are caught in this major change,
and the committee is -- does it in a timely manner,
which I understand that would be taken care of at the
midterm next year -- is that my understanding for this
realignment? It could be brought up and will be done.
So all you need now --

NP STARKEY: All I need now is a second to the
motion; not a speech in support of it.

PRP ARCHER: What I'm trying to say,

Mr. President, is if this is not done in a timely
manner, Branch 59 will probably not exist at this time
next year.

SHIPMATE HOLMES: Delegate, Branch 161,
seconds the motion.

NP STARKEY: Thank you. Are you ready for the
question?

The question on the floor is, it is moved and
seconded that the National President mandate the Future
Planning Committee, along with the assistance of the
Director of Membership and Development to investigate
reasonable realignment of the FRA.

Further, that the Future Planning Committee
will make a report to the National Board of Directors at
the 2019 mid-year Board of Directors meeting.

Is there any debate on the question?

Being no debate, all in favor say aye.

(Chorus of ayes.)

NP STARKEY: Those opposed say no.

(Some nos.)

NP STARKEY: The ayes have it. The motion is
adopted. Check the wording. I will have the Future
Planning Committee, with the assistance of Director of
Membership and Development, to investigate the alignment
of the FRA. Thank you, Shipmates.

We'll have our credentials report.

PRP LAZZARETTI: Good afternoon, Ladies and
Gentlemen, Shipmates. This is the fourth credentials
report from the 91st FRA National Convention. There was
no changes between the third and fourth report, but I
will read the numbers again.

Authorized voting strength is 1294. Number of
branches represented by delegates, 68. Number of votes
represented by delegates, 764. Number of branches
registered by proxy, 95. Number of votes registered by
proxy, 453. Number of branches not registered, 21.
Number of delegates registered, 124. Registered voting
strength, 1217. Number of votes not registered, 77.
Two-thirds vote is 812. Majority vote is 609.

PRP GUNTHER: Shipmate National President.

NP STARKEY: Shipmate rear mic.

PRP GUNTHER: Gunther, delegate, Branch 182,
seconds Shipmate Lazzaretti's report.

NP STARKEY: He hasn't made a motion yet.
Stand back up and make your second after he makes the
motion.

PRP LAZZARETTI: I move that this report be
received.
PRP GUNTER: I second that, Gunther 182.

NP STARKEY: Thank you, it's been moved and seconded to adopt the report of the Credentials Committee.

Are you ready for the question? Is there any debate?

All in favor of the motion say aye.

(Chorus of ayes.)

Those opposed say nay.

The ayes have it, the motion is adopted. The credentials report is adopted.

PRP CUNNINGHAM: Shipmate National President, Cunningham, Branch 14 delegate. I just have a question about the Rosenberg Award. If we accepted the report for the Membership Committee and it was Branch 230 and then all of a sudden it's changed to 295, I would just like some enlightenment as to why there was a change.

NP STARKEY: Shipmate Past National President Scarbro, will you clarify that for the shipmate?

PNP SCARBRO: The reason for the change was the original branch that was selected had merged with another branch. So that can't be considered.

NP STARKEY: Thank you, Shipmate.

Will Shipmate Boudreaux come to the -- Shipmates, even though the delegates voted this morning
to let National Headquarters run the National Convention
next year, I'm still going to appoint a committee,
because I don't believe National Headquarters has the
staff to do all the legwork for the committee.

So I'm going to appoint a National Convention
committee. The Chairman will be Shipmate Larry
Boudreaux, Past National President. The Co-Chairman
will be Virgil P. Courneya, Past National President.
Co-Chair of the Ladies Auxiliary will be Pat Boudreaux,
Past National President. Co-Chair for the Ladies
Auxiliary will be Helen Courneya.

Secretary will be Past National President John
Johnson. Treasurer will be Shipmate Michael Fulton, and
the members will be Cindy Rodham-Tuck, Past National
President of the Auxiliary FRA and Pete Lazzaretti, Past
Regional President Northwest. Thank you.

UNIDENTIFIED: I so move.

SHIPMATE BURKE: Burke, delegate, Branch 38.

I second the motion.

NP STARKEY: Thank you. It's been moved and
seconded to accept the appointments to the President's
Board for the 2019 National Convention Committee.

Is there any debate?

All in favor say aye.

(Chorus of ayes.)
NP STARKEY: Those opposed say nay.

(Some nays.)

NP STARKEY: The ayes have it.

PRP GUNTER: Shipmate National President.

NP STARKEY: Yes, Shipmate.

PRP GUNTER: Gunther, delegate, 182. I call for a roll call vote.

NP STARKEY: A roll call vote.

JrPNP LARSON: National President, Larson, delegate, Branch 94, second.

NP STARKEY: It's been moved and second that we hold a roll call vote on the appointment of my committee for the National Convention for next year. Shipmates, are you ready?

UNIDENTIFIED: We'll start with Branch 1.

Let's line up at the mic.

(Crosstalk.)

NP STARKEY: All in favor say aye.

(Some ayes.)

NP STARKEY: Those opposed say nay.

(Chorus of nays.)

NP STARKEY: The motion lost.

PRP GUNTER: Shipmate, National President.

Gunther, delegate, 182. I asked for a roll call vote.

It was seconded. That is not a motion.
NP STARKEY: You're right.

(Crosstalk.)

PNP BOUDREAU: Branch 1, six votes. Let's go.

Proxy, six votes yes. Branch 1, six votes yes. Do we have a tally committee?

SHIPMATE GRUETZNER: Shipmate Chairman, Gruetzner, Branch 201.

NP STARKEY: Yes.

SHIPMATE GRUETZNER: Would you please reexplain roll call vote to those of us who don't understand how it works?

NP STARKEY: Roll call vote is the same as the roll call election of national officers. You go by branch and the number of votes. We start with number 1 and work all the way down. It's either a yes or no vote. That's all we're asking for.

UNIDENTIFIED: Shipmate National President, prior to us having a vote, should we have a couple of minutes to actually have some words in favor and those words against the proposal.

We're putting the cart before the horse. We're not getting the opportunity to understand what the shipmates are voting for.

I understand you're trying to put a committee
into place, but for some of these members here, they
thought that was all decided this morning. So we would
like to have a discussion on that.

NP STARKEY: Okay. On this point -- let me
give you what we've done.

This morning the delegates approved that
National Headquarters sponsor the convention next year
so they can -- with the 501(c)3 -- we can get more
sponsors in for the National Convention.

But I don't believe that the National
Headquarters staff can actually do the work of a
convention committee plus their own work at National
Headquarters.

The Convention Committee this year has worked
two years on this convention, many hard hours, and I
don't believe that the National Headquarters' staff,
with all the work they have to do, can complete both
jobs.

So I'm appointing, as the National President,
a convention committee for next year, because we didn't
have a branch or a region come forward.

A motion was made this morning to do the
convention as a conference convention, and that's
different than a convention, so there's more work
involved. So I'm appointing a committee to do the
background work.

The national headquarters will get involved with getting all the sponsors lined up with all that, and that will go through the NAD. But this committee is going to do all the legwork.

UNIDENTIFIED: May I ask the finance officer to approach so he can please respond?

NP STARKEY: If he wants to say something, he can come to the mic.

MR. PROCTOR: Bryan Proctor, finance officer. The reason the National Headquarters wanted to handle both parts of it is that we were planning a conference as opposed to a convention. We're going to have to sell booths, we're going to have sell tables. We're going to have to sell information sessions.

If we're doing this with two sides of a brain, that's going to be not possible to do, because every time we sell a table, we'll have to go back and check back in with the committee. All we're going to do is hold ourselves up from being able to do the good work of getting the revenue in-house.

NP STARKEY: Shipmates, I withdraw my motion. I withdraw. Let's get on with the election.

UNIDENTIFIED: Shipmate National President, I'm not sure what I'm voting on here. If I vote yes --
NP STARKEY: Shipmate, I withdraw my motion, so we're not voting on anything.

UNIDENTIFIED: Then I have a question. Why wasn't this handled last year like it's supposed to be? The National President is supposed to appoint the committee last year, two years ahead. I know because I'm the first one that did this.

NP STARKEY: I wasn't the National President last year, so I can't speak for my predecessor.

UNIDENTIFIED: (inaudible) -- let him explain.

NP STARKEY: It doesn't need to be explained, because it's a moot point.

JrPNP LARSON: National President, Larson, delegate, Branch 94. To answer the question, yes, at the time the National President did appoint a chairman, and it did not follow through -- lack of support.

Thank you.

DELEGATE 104: Delegate 104, we might let everybody in here know why there's no convention this year -- (inaudible) under the assumption that we still had somebody. He didn't know that Birmingham had withdrawn their --

NP STARKEY: Birmingham never officially put in a --

DELEGATE 104: I'm sure everybody's heard
Birmingham was going to be the place, but they're not even around anymore, so --

NP STARKEY: Shipmates, let's go on with the election. Thank you.

PNP BOUDREAUX: We're voting for National President. You got two candidates. You got William Starkey and Robert Washington. Is that tally committee ready?

UNIDENTIFIED: Tally committee is ready.

PNP BOUDREAUX: Let's line up and start with Branch 1. You've heard from them all year.

PRP GUNTHER: Shipmate National President, through you to the chairman.

NP STARKEY: Yes, Shipmate.

PNP GUNTHER: Gunther, delegate, 182. I mean, we'd still like to hear some information from both candidates, final words before we vote, I would think.

NP STARKEY: Shipmates told me to proceed, and I'm proceeding. We don't want to waste anymore time of the delegates. We'll wait until the election is over. Thank you.

PNP BOUDREAUX: Shipmate National President.

NP STARKEY: Yes, Shipmate.

PNP BLACKBURN: Blackburn, delegate, Branch 8. Should not the resolutions for the candidates be read as
has been in the past?

NP STARKEY: The resolve portion will be read, but all Shipmate Boudreaux wanted shipmates to do is line up at the mics in numerical order so once the results are in, he can get the election underway.

PNP BOUDREAUX: South New Jersey, Branch 57, nominating resolution: William Starkey, National President. Resolved: The shipmates of South Jersey, Branch 57 FRA, know that this dedicated shipmate's experience and dedication to our association qualifies him to serve his shipmates now, and therefore, be it resolved that South Jersey Branch 57 FRA, in its regularly scheduled monthly meeting held on 18 October, 2017, a quorum being present, did unanimously vote to place the name of National President William E. Starkey in nomination for the office of National President FRA for the Association year 2018/2019.

And be it further resolved, the South Jersey Branch 57 earnestly solicits the support and endorsement of all the branches of the FRA for the candidacy of National President William E. Starkey for the office of National President FRA for the association year 2018/2019.

Navy Department Branch 181 nominating resolution. Robert Washington, resolved, the Navy
Department Branch 181, at a regularly scheduled monthly meeting held on October 5th, 2017, a quorum being present, did proudly and unanimously vote to place the name of Robert Washington in nomination for the office of National President, Fleet Reserve Association for the year 2018/2019.

And be it further resolved that the Navy Branch 181 sincerely solicits the support and endorsement of all the branches of the Fleet Reserve Association for the candidacy of National Vice President Robert Washington for the office of National President FRA.

Now, are we ready?

NP STARKEY: Are there any further nominations for the office of National President? Are there any further nominations for the office of National President? Are there any further nominations for the office of National President?

If not, the nominations are now closed.

Shipmate Blackburn, what did you want?

PNP BLACKBURN: Shipmate National President, Blackburn, delegate, Branch 8. I do believe it is written in our C&BL that a five-minute recess for the branches to caucus for their vote is called for.

NP STARKEY: Shipmates, it is my sincere pleasure to introduce the next National President of the Fleet Reserve Association, my friend, Bob Washington.

(Applause.)

NVP WASHINGTON: I am humbled, and I am honored that you have elected me as your next National President, but we have a lot of work to do. And in order for us to turn this ship around, we're going to have to do it collectively.

So it all starts today in trying to move this Association forward, because we cannot continue to keep looking backwards. Time has changed, people have changed, and so do we -- we need to change. We need to be able to create change.

We should be able to make change. We should be able to respect change, and most importantly, we should be able to accept change.

If we want to get young folks into this Association, change has got to come. And just like my good friend has said, we don't want to throw the baby out with the bath water.

We won't deviate from our constitution and bylaws, but we have to change the face of this
NP STARKEY: We will now proceed with the election of National Vice President, but before we do, we're going to take a five-minute recess so the branches can caucus.

National Chaplain, will you close the Bible, please.

NCHAP DAVIS: National President, the Bible is closed.

NP STARKEY: Thank you, Shipmate. Return back at 1410.

(Recess was taken.)

NP STARKEY: Shipmate, close the doors and invite the shipmateS to the hall. If they're not in the hall, close the doors.

NP STARKEY: National Chaplain, would you open the holy Bible, please.

CHAPLAIN: National President, the Bible is open.

NP STARKEY: Thank you.

Will the chairman of the Credentials Committee please come up and give an updated credentials report in case any shipmates have signed on.
PRP LAZZARETTI: Shipmates, I am pleased to report there are no changes to the credentials report.
Let the best candidate win.

NP STARKEY: Thank you, Shipmate Lazzaretti.

PNP BOUDREAU: Shipmates, we'll read the resolutions of the three candidates.

Imperial Beach, Branch 289. Nominating resolution: Resolve that Imperial Beach, Branch 289, FRA, in the regularly scheduled meeting on 8 November 2017, a quorum being present, did with great pride and pleasure vote unanimously to place the name of Michael Mick Fulton in nomination for the office of National Vice President, Fleet Reserve Association, year 2018/2019.

And be it further resolved that Imperial Beach, Branch 289, sincerely solicits the support and endorsement of all branches of the Fleet Reserve Association for a candidacy of Past Regional President southwest Michael Mick Fulton for the office of National Vice President FRA.

North Shore Branch 031, nominating resolution. Resolve that North Shore Branch 031, Fleet Reserve Association, at a regularly scheduled meeting held on 21 March 2018, a quorum being present, did unanimously vote to place the name of Past Regional President Northeast

And be it further resolved that the North Shore Branch 031 earnestly solicits the support and endorsement of all branches of the Fleet Reserve Association for the candidacy of Past Regional President Northeast New England, Donna M. Jansky, for the office of National Vice President Fleet Reserve Association.

First Coast Branch 91 nominating resolution:

Be it resolved that at a regularly scheduled meeting, October 10, 2017, First Coast Branch 91, Jacksonville, Florida, a quorum being present, voted unanimously to place the name of James E. Rockin Robbins in nomination for the office of National Vice President Fleet Reserve Association for the years 2018/2019.

And be it further resolved that the members of Branch 91 First Coast, Jacksonville, Florida, earnestly solicits the support and endorsement of each branch of the Fleet Reserve Association for the candidacy of Past Regional President Southeast, James E. Robbins, for the office of National Vice President for the Fleet Reserve Association for the year 2018/2019.

NP STARKEY: Would the three candidates like to make a -- I'm sorry.
Are there anymore nominations for the office of national vice president? Are there any other nominations for the office of national vice president? Are there any other nominations for the office of national vice president?

If not, nominations are closed.

The three candidates, Mick Fulton, Donna Jansky, and Jim Robbins, would you like to make a three-minute nominating speech?

Mine ain't going to be three minutes.

NP STARKEY: Well, I'll cut you off at two and a half.

(Crosstalk.)

NP STARKEY: Nominating speeches, five minutes.

Five minutes for nominating speeches. Two minutes for second.

NP STARKEY: It'll be a five and two.

FULTON: Shipmates, I want to be your national vice president for the year 2018/2019, because I feel this organization is veering off course slightly.

At this point, I am concerned in the fact that the -- and this is hard -- there are some shipmates that forget sometimes the ideals of what this organization was founded on and what this organization is about.
I feel strongly in the principles of this organization. I have for a long time. We need to move forward, as Shipmate National President Elect stated, and quit looking back. The way forward is to accept some changes that some people are not going to like.

As the finance officer stated yesterday and today, we don't have a spending problem, we have a revenue problem. We need to think outside the box and try to find some ways to get some additional revenue.

I don't have all the answers, and I'm sure there's people in this room that don't have all the answers.

However, I am willing to work with the people that the other shipmates endorse and elect as a member of the Board to work in a direction of change and work in a direction to make this organization successful.

Thank you.

(Applause.)

JANSKY: Good afternoon, Shipmates, again. As you know, I'm running for national vice president, because I want to do everything possible to improve this organization.

As stated before, we are at a crossroad. What is happening to us, though, is happening to all the veterans service organizations. And for several years
now the message has been that we're near death and that
our funds are dwindling.

However, nothing is more important to an
organization than communication. But negative
communication is going to kill us. This dual message is
not motivational. No organization runs perfectly, but
the way we communicate and work through problems
determines how issues are solved.

Blaming others is counter productive and does
not work towards a solution of a common goal.

Accepting responsibility and moving forward is
one positive solution. Regardless of where the blame
sits, this is a team environment. And simply accepting
the current reality, while moving forward in a positive
solution-based environment, is a good practice.

Now, these issues don't correct themselves
overnight, and we need help -- everyone's help. It'll
take some hard work. But we have one positive aspect
that no one can take away from us, that -- and that is
that we have held firm in the support of the various
veteran issues in Washington, D.C. for decades.

We have a voice with the Congress and
President, regardless of the dominant political party.

I'm willing to work with the outstanding
headquarter's personnel and our national board of
directors to push a plan for change. We hired some
great people that have outstanding ideas for marketing
and recruitment, and it's time to give their ideas a
chance.

I would support a new business plan that
covers short and long-range goals. When we finish our
business here, we need to send a strong, unified message
to all our shipmates, that we are willing to tackle the
problems head on and we now have a strong team in place
with a can-do attitude.

I am an optimist, someone who sees the glass
half full, not half empty, but with plenty of room for
improvement.

I welcome the skeptics but not the cynics.
Thank you.

(Applause.)

ROBBINS: Shipmates, I want to be your
national vice president. I can stand here and say the
very same thing that my other two companions said, and
one thing I look at, we do have to change our ways. I
always look at it -- we have to listen. I've been
preaching that for two years.

And then we need to communicate. The
communication is not coming across. We need to stand up
and communicate for what we're doing.
During the meetings here we try to listen to everything that's going on, but we get interrupted. And that's what's happening with the FRA today. We are getting changes from the younger people. They want changes, and they keep saying that we're the old folks.

The new generation is coming in. A lot of us are trying to change to their ways to satisfy the young generation. As they say, the computer people, well, you're right, they are. But I'm going to keep it short and sweet.

I would appreciate your support for me for running for national vice president, and I want to put my hand out to my opponents and say good luck and thank you, Shipmates.

(Applause.)

NP STARKEY: Shipmates, you now have two minutes per candidate for nominating speeches. You -- to rebut. Anybody wants the floor? Okay. We'll move on.

Do shipmates want a five-minute caucus time?

BRANCH 93: Shipmate National President, delegate, Branch 93. I need two people, one to run the adding machine, one to run the tally.

NP STARKEY: Thank you, Shipmate.

Standing Rule 3, in the event of three or more
candidates for the same office and no candidate receives
a majority of votes cast, the candidate receiving the
lowest number of votes on the second ballot will be
eliminated and will not be shown on the ballot again.

Do you understand that, Shipmates? The second
ballot, the shipmate who has the lowest number of votes
cast will be eliminated from the third ballot.

Shipmate at the rear mic.

UNIDENTIFIED: Shipmate National President, I
do believe you corrected yourself. The shipmate
receiving the lowest amount of votes on the first ballot
will be eliminated from the second ballot; is that
correct?

NP STARKEY: The shipmate who receives the
lowest number of votes on the second ballot will be
removed from the third ballot.

BLACKBURN: Blackburn, delegate, Branch 8 -- I
don't believe that's --

NP STARKEY: Under Standing Rule 3 Whiskey, it
states in there. In the event of three or more
candidates for the same office on the same ballot, no
candidate receives a majority of votes cast, and then
the candidate receiving the lowest number of votes after
the second ballot will be removed from office. That's
in Standing Rule 3, Whiskey.
BLACKBURN: We would cast three votes if that be the case.

NP STARKEY: If it requires three votes. We don't have -- but if it does, the shipmate with the lowest number of votes after the second ballot will be removed from the ballot.

BLACKBURN: Thank you, National President.

NP STARKEY: You're welcome, Shipmate.

PRP GUNTHER: Shipmate National President?

NP STARKEY: Yes, Shipmate at the rear mic.

PRP GUNTHER: Gunther, delegate, Branch 182.

I want everybody to get in line behind these microphones to make this go quickly.

(Crosstalk.)

UNIDENTIFIED: Shipmate National President, delegate, Branch 40. You read the standing rule saying you have to have two ballots with three candidates running? A lot of shipmates don't agree with that.

We're here. It can be changed right now by two-thirds majority vote of the people in the hall.

I move that we change the reading of the standing rule to add to the first column, "The lowest number drops off."

PRP SLAWINSKI: Slawinski, delegate, Branch 118, seconds.
UNIDENTIFIED: For the edification of the shipmates, when you have three or more shipmates on the ballot, you have -- certain delegates are locked in to vote one way on the first ballot.

By leaving all three in case no one gets the majority vote on the first ballot, they are released from their obligation to vote. They can vote either way they want with the subsequent ballots. That is why Standing Rule 3 is written that way.

NP STARKEY: Is there any final discussion on the motion?

All in favor of changing Standing Rule 3, Whiskey, say aye.

(Some ayes.)

NP STARKEY: Those opposed say nay.

(Chorus of nays.)

NP STARKEY: Standing Rule stands as is; it lost.

We're now continuing with the election. Will all voting delegates line up in order behind the mic so we can proceed as expeditiously as possible.

NP STARKEY: Shipmates, the tally for the vote was 259 for Robbins, 380 for Fulton, and 565 for Jansky. No one got a majority vote, so we're going to cast another round of votes.

Before we do that, the Ladies Auxiliary is
going to introduce their incoming officers.

We'll take a five-minute recess in place until
the ladies come in. Don't leave the room. Stay in your
seats. It's a five-minute in-place recess.

(Recess was taken.)

NP STARKEY: Shipmates, with sincere pleasure,
I'd like to introduce the newly elected president of the
FRA Auxiliary.

(Applause.)

MURRAY: Thank you, all. For those of you who
don't know me, my name is Cristina Murray. I am the
Auxiliary President elect. Thank you all for all the
support that you give to the Auxiliary each year.

It is my pleasure to introduce to you my
running partners and partners in crime for the next
year.

Miss Bee Parko he will be our national vice
president.

(Applause.)

In addition to Ms. Bee Parko as our national
vice president, our national treasurer elect at this
time, Linda Telly, will be the national treasurer for
the Auxiliary from 2018 to 2021. Thank you.

(Applause.)

UNIDENTIFIED: This is going to be the first
time you hear me talk, a few words. I want to say thank
you to the FRA for supporting the Ladies Auxiliary and
we're here to support you.

    I want to thank, of course, the Ladies
Auxiliary for voting and entrusting me as being the
national vice president, and I hope that I can help you
just as well as the Auxiliary. I can get kind of tied
for words -- but anyway, we're here for you.

    We're here to help you to -- for you to reach
your goals. And we only can do it together, and I pray
that all of us have the right attitude to move forward
to increase our membership, and again, of course, to
recruit new members.

    And I just want to say God bless all of you.
Thank you.

    (Applause.)

UNIDENTIFIED: I'd like to thank the FRA as
well. We love supporting you guys, and we love that you
guys support us. We appreciate it. And I'm looking
forward to the next three years of serving with the
auxiliary. Thank you.

    (Applause.)

MURRAY: At this time I'm going to announce to
you my National President's project that will be later
ratified by the National Board of Directors, but I know
some of you are going to leave and go home, so I want you to know what my project is.

The National Military Family Association has a program called Operation Purple Camp and Healing Adventures. Operation Purple Camp and Healing Adventures allows our children, children of active duty, retired reserve component, to attend a camp where they not only get to have fun, as any summer camp would, but they also get to learn about and do workshops on how to build resiliency so that they can cope while their parents are deployed or just recently returned from a deployment.

One in five -- I'm sorry, one in ten children are committing suicide each day between -- every five days. They either have a drug overdose or they are killed by a gunshot wound.

Each day 20 veterans are dying of suicide; one active duty, three reserve or guard members, and 16 veterans. And the Operation Purple Camps and Healing Adventures helps not only the veteran, but the whole family to build the resiliency, and hopefully we can reduce those numbers so that next year I can come up here and tell you that the program is working.

The stats are out there, and they're daunting.

But we need to take an active stand. It takes $650 to
send a child to camp. It takes $350 to send a service member who's been seriously wounded or injured to go to one of the healing adventures. And I challenge each one of the units to try to send at least one child or service member to the camp.

And I understand that some of you may have had a grandchild that recently attended one of those programs and the difference that it made in their life. When they come back, they understand -- while their parent is deployed, they understand how to communicate with that deployed parent, and they are also more -- the behavior at home is improved substantially so that there's less stress and anxiety at home during deployment.

So please help me to look at our future, at the children that are going to be our future veterans, and help them to build resiliency to have a long life and become our members and keep the community going.

Thank you.

(Applause.)

NP STARKEY: We'll now take a five-minute recess until our next election.

NCHAP DAVIS: The Bible is closed.

(Recess was taken.)

NP STARKEY: National Chaplain, will you open
the Bible, please.

NCHAP DAVIS: Shipmate National President, the Bible is open.

NP STARKEY: Thank you. Shipmate at the rear mic.

FIELD: Field, delegate, Branch 162. I have requested that anyone who has picked up a brochure that was on the table for FRA -- there was some blank forms there, I don't know what -- I'd like them back.

Thank you.

NP STARKEY: Thank you.

When you cast your vote this next round of voting, if you were instructed, the instructions go away. You vote the way you want to vote. If you were instructed to vote for A and you want to vote for B, you can vote for B. You're not required to vote as instructed.

Thank you.

Shipmate, rear mic.

DELEGATE TOULOTTE: Delegate, Branch 24, Valerie Toulotte. I would like to -- through the president to the shipmates, I would like to remind the shipmates that there is another option besides a roll call, and that would be the other candidates who did not win that one can graciously concede to Donna Jansky, who
was just shy of 44 votes. Just saying.

(Applause.)

NP STARKEY: Shipmates, we still have to vote by roll call.

PNP BOUDREAUX: Shipmates, if your Branch was instructed to vote on the second roll call of instruction, you have to vote that way. But if you were not instructed on the second roll, it's a free for all. Do you understand that? Everybody understands?

Shipmates, it's my sincere pleasure to present the next National Vice President of the Fleet Reserve Association, Donna Jansky.

(Appplause.)

Donna Jansky received 823 votes. Robby
Robbins received 121 votes, and Mick Fulton received 270 votes.

Donna, congratulations.

JANSKY: I want to thank all of the shipmates who voted for me, and I really want to help in turning this organization around. It's going to be a great year. I can already feel the vibes, and so thank you so much, and we start work tomorrow.

(Applause.)

NP STARKEY: I would like to present the following certificates for the Fleet Reserve Association awards.

The first one is to the newly elected National President, Robert Washington. Thank you, Bob.

I have one here for Tom Snee, but I don't know his condition or his location, so I'll hold that off.

The next one is Past National President, Don Larson, Fleet Reserve Association for award. It's my sincere pleasure to present that award to you.

Thank you.

(Applause.)

Rodney Christopher, Regional President Northwest. I'd like to present this award to you.

Thank you very much for a job well done.

Leon's not here.

(Inaudible.) Thank you, Larry, for a job well done.
SHIPMATE: I'd like the honor of escorting Mrs. Washington to the podium, please.

NP STARKEY: You may do that.

Would you like to say a few words to the Shipmates?

MRS. WASHINGTON: Good afternoon, Shipmates.

This is really like a momentous occasion. Sometimes I just sit back and I wonder how did we get here. And as an active duty person in the Navy, my husband joined the Association and has had continuous membership ever since then.

I mean, he's always been here with you guys, and this has always been a part of him.

I know that when I first started coming myself, I just came because he was coming to a convention and it was a time for me to go to a hotel with the kids and just chill.

I didn't -- I didn't plan to go to meetings or anything like that. But slowly, slowly, he tells me about different things and I got hooked.

So on the auxiliary side, I got hooked into it, and on this side, he really has put in the work, and he's really ready to be there for you guys. And I'm sure -- for you shipmates. And I'm sure he'll do an excellent job for you.
Again, thank you all for your confidence, and he'll be there. He'll do a good job.

(Applause.)

NVP WASHINGTON: Her next plight is to become National President.

NP STARKEY: I'll continue with the presentation of the awards. I'm going to go back to Shipmate Jim, because he has trouble walking this far. I don't want to put him under any undue stress.

Shipmate Jim, it's my sincere pleasure to present you with this for award for your duty as the chairman of the National Committee on Membership and Retention.

Next is Vice President Elect Donna Jansky. Would you please come up to the microphone, please.

Donna, it's with my sincere pleasure that I present you this award for serving as chairman of the National Committee on Public Relations. Thank you very much.

Next is Shipmate Chris Slawinski. This is the national award for being the chairman of the National Committee on Veterans Service.

Shipmate Jim Richmond Southeast Regional -- I mean, Regional President Elect. Thank you, Jim. Here's your award.
Shipmate Pete Lazzaretti, would you please come up to the microphone, please.

Pete is chairman of the National Convention on -- the National Committee on Credentials and Registration. He's done a great job. Thank you.

(Applause.)

NP STARKEY: Past Regional President West Coast, Charles R. McIntyre. This is an award for Past regional President, Charles R. McIntyre, for being chairman of the honorary membership and a certificate of merit for the 91st National Convention. Thank you, Shipmate.

This is for Past Regional President East Coast, Tom Vatter. Would you come forward, please. Tom received the award for being the chairman of the Tally Committee. He stepped up and did his job as a good shipmate.

Shipmate Lawrence Buchanon, Past Regional President North Central Region. Lawrence received the award for being my timekeeper at the 91st National Convention.

Shipmate Richard Ruiz, Senior Master-at-Arms at the 91st National Convention.

Shipmate Regional Vice President Southwest or West Coast -- not central, I apologize, Kathleen
Ursula -- she's my junior master-at-arms, but I don't consider her a junior.

Past National President, Helen Courneya. She is not in the hall, but I'll present this to her husband, or I'll talk it over and present it to her personally.

Thank you, Shipmates.

(Applause.)

I want to say one thing about the competition for national president this year.

Shipmate Bob Washington and I, we both ran a real great campaign, and I'll be quite honest with you. I believe Bob ran a better campaign, because he did a great job and he was elected.

And I think he'll do a great job as National President. But I want everyone here to give him support, because without the support of the shipmates, the regional presidents and the national president is just another figurehead. He needs support from all the shipmates, all the regional presidents, and all the branch presidents and secretaries.

So please give Bob your support during the ensuing year.

Thank you.

(Applause.)
Shipmate rear mic.

DELEGATE COURNEYA: Shipmate National President, Courneya, delegate, Branch 274.

We dismissed earlier about you appointing a special committee for the convention. We cannot do that. You still have to have a committee, even though we're going to have headquarters go out for outreach for funds to support this convention coming up next year.

According to our Standing Rules, you still have to appoint a committee when there is no other committee. We just can't turn it over to headquarters. They're our employees.

NP STARKEY: I know. I made the announcement here that Shipmate Chairman Larry Boudreaux is the chairman of the 2019 convention committee. Co-chairman is Virge Courneya, Past Vice President, he's co-chairman.

Chairman of the ladies auxiliary is Pat Boudreaux, Past National President. Co-Chair is Helen Courneya, Past National President.

Past National President, John Johnson;

Shipmate Mick Fulton, regional president Southwest.

Another member is -- Shipmate Fulton is the treasurer.

Shipmate Cindy Rodham-Tuck is the Past National President. She's a member of the committee,
and Shipmate Pete Lazzaretti.

Do I have a second on that?

PRP SLAWINSKI: Shipmate National President, Slawinski, delegate, Branch 181, seconds.

NP STARKEY: Thank you. Is there any debate?

UNIDENTIFIED: Shipmate National President.

NP STARKEY: Yes, Shipmate, at the rear mic.

UNIDENTIFIED: Standing Rule for India says you cannot appoint the chairman. It is elected as the interim chairman after the committee is formed.

NP STARKEY: You are correct. Thank you.

I'll just appoint the committee, and then they'll take and elect their chairman, or the shipmates will elect the chairman.

Shipmate at the rear mic.

PRP SLAWINSKI: Slawinski, delegate, Branch 181. I'll second that motion for the appointment of the committee.

NP STARKEY: Shipmate, front mic.

UNIDENTIFIED: Shipmate National President, the committee you appointed earlier -- we did meet, and we've elected the Past National President Boudreaux to be the chairman.

NP STARKEY: Thank you.

All in favor, say aye.
(Chorus of ayes.)

Those opposed say nay.

(Some nays.)

NP STARKEY: The ayes have it. The convention committee for 2019 is appointed. Thank you.

Shipmate at the front mic.

BRANCH 371: Branch 371, delegate. I'd like to personally thank the outgoing members for a job well done.

NP STARKEY: Thank you. They did a great job.

Rear mic.

SHIPMATE ZINO: Shipmate National President, Zino, delegate, Branch 23. Just an idea here for the good of the order. I've been floating it around to a few of our shipmates.

As you may have heard, DDG 119 is going to be commissioned in -- probably Mobile, Alabama. That schedule is still temporary. It hasn't really been assigned. I've been in touch with the XO of the ship. I've been in touch with the CMC. I didn't tell them about this idea, though. I was requesting to see if I could get a ticket to come to the commissioning.

But what I was thinking, for the FRA to go out and reach out to shipmates. This would be a good opportunity for the National President and the Auxiliary
National President and some of our shipmates here to attend the commissioning for DDG 119, because it's named after the first Master Chief Black of the United States Navy.

He's done a lot of work for the Fleet Reserve Association. He's done a lot of work for the Navy, and the Navy is honoring him by naming a ship after him.

So I think it would be appropriate in my opinion -- and I don't know if this requires a motion -- and it's surely up to the incoming national president; I don't want to steel his thunder -- but I think it would be good for the organization if the FRA would present a certificate and a plaque to the ship sometime during commissioning.

This needs to be worked out, there's some things that still have to be worked out, and I was hoping maybe with the National President's permission or authorization, we can work with headquarters to figure out the logistic items.

NP STARKEY: The incoming National President will take that under advisement, and more likely will be ahead of you on that plaque.

Shipmate at the front mic.

DELEGATE SNYDER: Shipmate Snyder. Shipmate National President, Snyder, Branch 11 delegate.
I think it should be noted that today is a historical day for the Fleet Reserve Association. We've elected our first African American as the National President and our first female as a national vice president. This is a historic day.

(Applause.)

NP STARKEY: Thank you, Shipmate Snyder.

DELEGATE SNYDER: Also, I would like to say that for those of you that don't know it, the USS Indiana (SSN-789), will be commissioned tomorrow. It'll be the newest ship in the United States Navy.

In about four months the South Dakota will be commissioned. That's my home state. Thank you.

NP STARKEY: Rear mic.

DELEGATE VATTER: Shipmate National President, delegate, Branch 93. I do believe we may have a shipmate attending the National Convention for the first time -- or several. Could we recognize them?

NP STARKEY: If we have any shipmates here for the first time, would you please stand and be recognized, and give us your name and branch number.

(Applause.)

DORSEY: Shipmate National President, Tom Dorsey, Branch 47.

NP STARKEY: Thank you very much, and
congratulations on this being your first national
convention. Make it not the last.

Shipmate at the rear mic.

ODOM: Shipmate National President, Johnny

Odom, Branch 126. This is my first national convention.

NP STARKEY: Thank you. We expect to see you

at all of our regional conventions and all of the

national conventions. Thank you.

Shipmate at the rear mic.

HEAL: Shipmate National President, my name is

Willis E. Heal. I am from Branch 98, South Central.

This is my first national convention.

(Appause.)

NP STARKEY: Shipmate at the rear mic.

RIZZO: Shipmate National President, Ray

Rizzo, Branch 124 Northeast, Northeast region, first

convention.

(Appause.)

NP STARKEY: Shipmate at the rear mic.

HATCLIFF: Shipmate National President, Jeff

Hatcliff, with the Mile High Branch 49, West Coast

region, first time.

NP STARKEY: Thank you, Shipmate.

HORTON: Shipmate National President, my name

is Sam Horton, and I come from Branch 67 in Maryland,
and this is my first affair here and hopefully not the last.

(Applause.)

BRANCH 197: Leonard (inaudible), Vice President, Branch 197, Modesto, California, West Coast. I usually attend almost all the regionals, but this is my very first national convention. I have to say I'm extremely impressed.

NP STARKEY: Thank you very much.

Shipmate at the rear mic.

COPELAND: Shipmate National President, my name is Nancy Copeland. I am a first-time visitor to the convention. I am president of Branch 201, and am also the newly elected regional secretary for South Central.

NP STARKEY: Thank you, and welcome.

Rear mic.

MARTIN: Shipmate National President, my name is John Martin. I'm from Branch 276. I'm the newly elected regional vice president for North Central.

NP STARKEY: Thank you, congratulations.

Rear mic.

BRANCH 364: Shipmate National President, we're North Central, Branch 364. My name is Joanne (inaudible). This is my first national convention.
NP STARKEY: Congratulations.

Rear mic.

HERNDON: Shipmate National President, David Herndon, Branch 364, North Central region. This is our first national convention.

(Applause.)

NP STARKEY: Thank you.

Rear mic.

BRANCH 137: (Inaudible), Branch 137. Also West Coast Regional President.

NP STARKEY: Thank you.

(Applause.)

You're a Regional President for another day and a half, another day anyway.

UNIDENTIFIED: Shipmate National President, I'm not going to say this is my first one, but I would like to tell you we have a delegate from our region, from Branch 97 -- his name is Scott Dudley -- and he's probably with the sea somewhere, but he is a nephew of (inaudible).

NP STARKEY: Thank you.

Rear mic.

UNIDENTIFIED: Shipmate National President, I just want to point out on these ships commissioning, that the USS Sioux City, which is LCS-11, combat ship,
is being commissioned at the Naval Academy on November 17 of this year, and they have invited Branch 24 and the Fleet Reserve Club to participate in the commission of ceremonies.

They have also -- the captain of the ship has asked, could his ship's crew attend our Veterans' Day ceremonies in downtown Annapolis, which is sponsored by 24.

Thank you.

(Applause.)

SNYDER: Shipmate National President, Snyder, Branch 11. It's me again. My first national convention was in San Antonio, Texas, in 1985. I've been to most of them since. I've missed a couple. But thank you.

NP STARKEY: Front mic.

CUNNINGHAM: Shipmates, this is Cunningham with Branch 14. I think most of you who have been here know Shipmate Leon Saleski. He's usually at every national convention. He's not here because he's been in the hospital for the last two months. He had a minor heart surgery, but this time he's recuperating from having all the toes on his right foot amputated and going through therapy.

He's still in good spirits, but also, his wife, Joan, who would come with him, she's going through
chemotherapy for cancer. When it rains, it pours. So if you could keep both of them in your prayers, it would be greatly appreciated.

NP STARKEY: Thank you. I'll keep Leon in my prayers.

Shipmate at the rear mic.

UNIDENTIFIED: I've been here for 41 years, 1977/78.

NP STARKEY: Thank you. Rear mic.

BOUDREAUX: Shipmate National President, Delegate, Boudreaux, Hangtown Branch 275, (inaudible), California, Chairman of the 91st National Convention and prospective Chairman of the 92nd National Convention.

We still have some felt pens for sale and some 3-2-1 tickets. This is a chance to win $300, $200, or $100. The tickets are $5 apiece or a book of five tickets for $20.

NP STARKEY: Is that a West Coast 50/50, where you only get 20 percent of the take?

BOUDREAUX: Like I said, you can win $300, $200, $100 on a five-dollar bill.

The banquet tomorrow night is going to be in here. The installation is going to be over where the ladies are meeting at tomorrow night.

And there was a memorandum in the last
newsletter about a trip to the San Antonio Spurs basketball game. Did anybody here buy tickets for it?

It's Sunday afternoon at 4:00. They're playing Miami Heat. It's an exhibition game. We got discounted tickets for it.

That's about an hour before the game down on the floor with the players and everything else.

No more tables are available at the banquet.

Make sure you bring your ticket with you because we will be collecting them at the door. If you don't have a ticket, you're not going to get in. There's going to be ten reserved tables. The rest are all open.

The National President's got one reserved table for FRA and one reserved table for the LA FRA.

Branch 70 purchased a table themselves.

National headquarters has got two tables reserved and the committee's got five. The rest of them are all open. The tables are set for eight, not ten, so you got elbow room.

NP STARKEY: Thank you. Do you have to be present to win?

PNP BOUDREAUX: No. If you win anything, we'll mail a check to you. And all the profits from this convention is going to the FRA.

Anyone have any questions about anything
that's happening the rest of the convention?

(Crosstalk.)

NP STARKEY: Thank you, Shipmate.

Shipmate at the front mic.

UNIDENTIFIED: We just celebrated the 20th anniversary of the USS Cheyenne and the USS Wayman sub cruise. The sub cruise comes to Cheyenne, and we just finished up the botanical gardens with the City and put our own periscope in the building.

Also, I'd like everybody not to forget that they're going to recommission the USS Kennedy and the USS Enterprise, which I was the command chief on both of those carriers, and they have invited our branch to go to Norfolk for the recommissioning.

NP STARKEY: Congratulations, Shipmate.

UNIDENTIFIED: Shipmates, this is the last call for the -- I have the youth activities -- I think there's only one notebook left in there. If you want to take your stuff back to your branch, get it now, because as I walk out the door, I'm going to deep six the reports. There's no need for me to keep 'em. So if you want to take yours back, that notebook or whatever, come see me and I will give it to you.

NP STARKEY: Shipmate at the rear mic.

UNIDENTIFIED: Yes, I was just reminded that
when you go to the recess this afternoon, you won't
return again until the installation, I believe. So
everybody take everything you own out of here.

NP STARKEY: Thank you, Shipmate.

Shipmate rear mic.

UNIDENTIFIED: Shipmate National President, do
you have a final Credentials Report before we recess?

NVP WASHINGTON: Shipmates, I would like to
let you know, my wife is planning this, but when you
leave from here, come up to the hospitality room. The
food and the first 200 people get to drink free.

NP STARKEY: Shipmates, I'd like to say one
last word. I appreciate each shipmate who's here
representing their Branch and helping the FRA. We could
not have had a successful commission without you.

Right now we're going to close the holy Bible.

I'd like to recognize the reporter who's here
from CRC Salomon. CRC Salomon has been recording the
minutes of the convention. Thank you very much for a
job well done.

(Applause.)

NCHAP: Shipmate National President, the Bible
is closed.

NP STARKEY: Thank you. Join me in saluting
our flag. Hand salute! Ready, two!
Shipmates, we'll reconvene tomorrow at the banquet and dinner.
