Dear Congresswoman Brownley:

The Fleet Reserve Association (FRA) supports your legislation (H.R.2094) to increase the maximum age for children eligible for medical care under the CHAMPVA program. By expanding the Civilian Health and Medical Program of the Department of Veterans Affairs, children of eligible veterans, family members, and survivors will be able to keep their health care coverage until age 26.

The Association appreciates your dedication to veteran issues. The FRA point of contact is Brian Condon, Assistant Director of Veterans Programs, at brianc@fra.org.

Sincerely,

THOMAS J. SNEE
National Executive Director
