The Honorable Bill Foster
House of Representatives
2366 Rayburn House Office Building
Washington, D.C. 20515

Dear Congressman Foster:

The Fleet Reserve Association (FRA) supports your legislation, (H.R.1718) to provide clarification regarding the children who are entitled to educational assistance under the Post-9/11 Educational Assistance Program. This legislation would align definitions of an eligible child in the Veterans Administration and Department of Defense for the purposes of the education benefit transfer.

The Association appreciates your dedication to veteran issues. The FRA point of contact is Brian Condon, Assistant Director of Veterans Programs, at brianc@fra.org.

Sincerely,

THOMAS J. SNEE
National Executive Director
