Dear Ms. Doyle,

I just wanted to express our sincere thanks for meeting with Mr. Courneya, Mr. Slawinski and myself this past Monday, February 1st. We understand you have a very busy schedule, but do appreciate taking time out to meet with us.

We understand that the Veterans Affairs has many concerns; however in scheme of things, we are *all Veterans* and are most willing to make it more creative. We, at the FRA, stand ready to assist the Senator, his staff, or any member of the Veteran Affairs Committee to a total commitment of being proactive in the services to and for our Veterans.

Again, thank you and we hope we can be of further assistance where needed.

Sincerely,

Thomas J. Snee
National Executive Director
Fleet Reserve Association
