The Honorable Gary Peters
United States Senate
724 Hart Senate Office Building
Washington, DC 20510

Fax: (202) 224-7387

Dear Senator Peters:

The Fleet Reserve Association (FRA) supports your legislation S.1567, which allows for further review of military discharges of individuals with possible mental health disorders which may have affected what kind of discharge was granted.

The Association appreciates your dedication to veteran issues. The FRA point of contact is Brian Condon, Assistant Director of Veterans Programs, at brianc@fra.org.

Sincerely,

THOMAS J. SNEE
National Executive Director
