Dear Senator Rounds:

The Fleet Reserve Association (FRA) strongly supports the “Veterans Choice Equal Cost For Care Act of 2016” (S. 2649) that would make it so that veterans do not have to pay a greater amount for receiving hospital care or medical services than the amount the veteran would pay for receiving the same or comparable care or services at a VA medical facility or from a VA health care provider.

The Association appreciates your leadership on this issue and stands ready to provide assistance in advancing this legislation. The FRA point of contact is Stephen Tassin, Assistant Director of Legislative Programs, at the above numbers or (stephent@fra.org).

Sincerely,

THOMAS J. SNEE
National Executive Director
