Dear Senator Klobuchar:

   The Fleet Reserve Association (FRA) strongly supports the “Helping Veterans Exposed to Burn Pits Act” (S. 2679) that would provide aid to veterans exposed to toxic burn pits in Afghanistan and Iraq by establishing a center of excellence within the Department of Veterans Affairs (VA) to help prevent, diagnose, mitigate, treat and rehabilitate health conditions resulting from exposure to burn pits.

   The Association appreciates your leadership on this issue and stands ready to provide assistance in advancing this legislation.

   The FRA point of contact is Stephen Tassin, Assistant Director of Legislative Programs, at the above numbers or (stephent@fra.org).

Sincerely,

THOMAS J. SNEE
National Executive Director
