Dear Congressman Hudson,

The Fleet Reserve Association (FRA) supports the Care Veterans Deserve Act (H.R. 5262). By eliminating the sunset date for the Veterans Choice Program, veterans will be able to access care they need in a timely manner for the foreseeable future.

The Association appreciates your dedication to veteran issues. The FRA point of contact is Brian Condon, Assistant Director of Veterans Programs, at brianc@fra.org.

Sincerely,

THOMAS J. SNEE
National Executive Director
