Dear Representative Davis:

The Fleet Reserve Association (FRA) supports the “Hire More Heroes Act” (H.R. 22).

This bill incentivizes small businesses to hire veterans while at the same time providing them relief from the Affordable Care Act (ACA). The bill exempts employees with health coverage under TRICARE or the Department of Veterans Affairs from determining if the employer is regulated by the ACA (50 or more employees that work 30 or more hours a week).

The Association appreciates your leadership on this issue and stands ready to provide assistance in advancing this legislation.

The FRA point of contact is Stephen Tassin, Assistant Director of Legislative Programs, at the above numbers or ([stephent@fra.org](mailto:stephent@fra.org)).

Sincerely,

THOMAS J. SNEE  
National Executive Director
