Dear Senator Portman:

The Fleet Reserve Association (FRA) supports the “Medical Evaluation Parity for Servicemembers (MEPS) Act” (S. 2231) that would require a mental health assessment for all incoming military recruits.

The Association appreciates your leadership on this issue and stands ready to provide assistance in advancing this legislation. The point of contact at FRA is John Davis, Director of Legislative Programs, at the above numbers or (john@fra.org).

Sincerely,

THOMAS J. SNEE
National Executive Director
