Dear Senator Franken:

The Fleet Reserve Association (FRA) supports the "Quicker Veterans Benefits Delivery Act" (S. 666), which requires the VA to provide a report of a medical examination administered by a private physician without requiring confirmation by a Veterans Health Administration physician, for purposes of establishing a claim for veterans disability benefits.

The Association appreciates your leadership on this issue. The FRA point of contact is Ben Young, Assistant Director of Veterans programs, at benjamin@fra.org.

Sincerely,

THOMAS J. SNEE
National Executive Director
