Dear Representative Tonko:

The Fleet Reserve Association (FRA) supports the "Fort McClellan Health Registry Act," (H.R. 411).

This bill would help servicemembers that were stationed at or conducted training at Fort McClellan, Alabama, during the period beginning on January 1, 1935, and ending on May 20, 1999 get care and compensation for being exposed to toxic chemicals.

The Association appreciates your leadership on this issue and stands ready to provide assistance in advancing this legislation.

The FRA point of contact is Stephen Tassin, Assistant Director of Legislative Programs, at the above numbers or ([stephent@fra.org](mailto:stephent@fra.org)).

Sincerely,

THOMAS J. SNEE  
National Executive Director
