Dear Representative Walz:

The Fleet Reserve Association (FRA) supports the “Clay Hunt Suicide Prevention for American Veterans Act” (H.R. 5059) that requires the Department of Veterans Affairs (VA) and the Department of Defense (DoD), at least annually, to allow for an independent third party evaluation of their mental health care and suicide prevention programs.

The Association appreciates your leadership on this issue and stands ready to provide assistance in advancing this legislation. The point of contact at FRA is John Davis, Director of Legislative Programs, at the above numbers or (john@fra.org).

Sincerely,

THOMAS J. SNEE
National Executive Director
