Dear Representative Thompson:

The Fleet Reserve Association supports the "Recovering Service Members Disability Benefits Act" (H.R. 1488) that creates an exception from the required waiting period for Social Security disability insurance benefits for recovering service members who are undergoing medical treatment, recuperation, or therapy while recovering from a serious bodily injury or physical illness related to the member's military service.

The Association appreciates your leadership on this issue and stands ready to provide assistance in advancing this legislation. The point of contact at FRA is John Davis, Director of Legislative Programs, at the above numbers or (john@fra.org).

Sincerely,

THOMAS J. SNEE
National Executive Director
