Dear Mr. Chairman:

The Fleet Reserve Association (FRA) supports your recent efforts in the House FY 2015 MilCon/VA Appropriations bill to hold back 75 percent of Department of Veterans Affairs (VA) requested record system upgrade funds, contingent upon the Department of Defense (DoD) and the VA proving that they are working to create a seamless medical record system for troops and veterans. The Association has a long-standing goal of a truly seamless transition from military to veteran status for all service members.

FRA stands ready to assist you in supporting this effort. The FRA point of contact is John Davis, Director of Legislative Programs, at the above numbers or ([john@fra.org](mailto:john@fra.org)). Thank you for your efforts on behalf of our wounded warriors.

Sincerely,

THOMAS J. SNEE  
National Executive Director
