Dear Senator Heller:

Thank you for taking time from your busy schedule to appear before us (via video) at FRA's 87th National Convention in Corpus Christi, Texas, and for addressing the delegates on various issues. Your presentation was outstanding and a highlight of the convention.

Your support is appreciated and as always, if I can be of assistance to you or members of your staff, please do not hesitate to call.

Thank you again and with best wishes, I remain

Sincerely,
