Dear Senator Donnelly:

The Fleet Reserve Association (FRA) supports your legislation, the "USS Indianapolis Congressional Gold Medal Act" (S. 2101). The crew of the USS Indianapolis played a critical role in the Pacific Campaign during World War II. Over 800 men died after a Japanese submarine fired and sunk the heavy cruiser. The ship's contributions to the war effort cannot be down played and this recognition is well deserved.

The Association appreciates your dedication to veteran issues. The FRA point of contact is Brian Condon, Assistant Director of Veterans Programs, at brianc@fra.org.

Sincerely,

THOMAS J. SNEE
National Executive Director
